

T&T SOLUTIONS

TRUSTED & TRANSPARENT SOLUTIONS

T&T Solutions aims to provide support within Hamilton County areas for those needing care for their loved ones or support as they give care within their communities. As a certified Independent Provider with DODD, I am available to provide in-home care, respite services and NMT. Working with a small agency has produced expertise in administrative functions for Home Health Agencies and Independent Providers. If you are looking for support or administrative support, please reach out!
